A message from Brian: My motivation for this golf tournament stems from the loss of my mother, Barbara R. Dowell to cancer in January 2010. My mom was an amazing person who helped people look better and feel better about themselves. She practiced this everyday in her personal and business relationships. We miss her dearly. We want to honor my mom's life, her wonderful successes and her wonderful passion for people. Join me in celebrating her life and others impacted by cancer and be a part of the superb opportunity to stand up to cancer. Your participation CAN & WILL make a difference! Visit www.wingsofhopeeevents.com or email golf@wingsofhopeeevents.com for more info.
